Dear Friends,

We did it!!!! Thank you one and all for your generosity and support. Our journey is just starting in earnest now but we will continue to keep the lines of communication open, be accountable, work hard and have some fun as well!!!!

Most mornings, I try to start my day by going on line and read a Jesuit meditation site produced in Ireland called Sacred Space. It is a great spot and I found this quote one day when the going was pretty rough. I saved it to share with you until we reached our first financial goal but have referred to it often during the past few months. I believe it was written about Saint Patrick's, our faith community and why it is so important that our beautiful church continues to be a practicing faith community!!

WHY A CHURCH?

THERE ARE TIMES WHEN OUR FAITH IS FALTERING AND WE NEED THE SUPPORT OF A BELIEVING AND WORSHIPPING COMMUNITY, WHO EXPRESS THEIR FAITH IN THE WORKS OF JUSTICE AND CHARITY. WE NEED TO COME TOGETHER AND FOR THAT, WE NEED A PLACE.

I hope you like this as much as I do.

Summer is finally here. Let us all take some time to relax, smell the roses, have some fun and thank God for all the blessings He has given to all of us.

If you can join us for the lobster dinner and/or the concert on July 3rd, we will welcome you. Don't forget to join the "back to the future" gang at the dance in late July. It will be an evening not to be missed.

On a personal note, I will be spending most of the summer in Pictou but will be coming into the city on Tuesdays and Wednesdays. I will miss seeing everyone at Mass but will continue my prayers at Stella Maris for you all. If I miss you during the week, we will catch up in the Fall.

Take care. God bless us all. Have a great summer. I send peace and thanks to everyone.

Sincerely,
Penny
